

▼ AUScA Committee Meeting

- *Tuesday 14 March, 6:00pm. Minutes taken by Philip Grace.*

▼ BBQ & Science Showcase

- Organised for first year students in Week 5.
- ▼ AUScA is having a stall.
 - Will sell memberships, pub crawl shirts and give out first year magazines.
- Need to book stall (to be handled by Arwa).

▼ Our BBQ

- ▼ Either in week 4 Friday, or after term break
 - If done in week 4 (same week as AGM), then can be the transition event for new committee.
 - Pub crawl shirts will still be being sold in week 4, so can sell at BBQ.
 - Either in Barr Smith or Math Lawns.
 - Same date as engineering pub crawl, so students may not be at uni.
 - Wednesday is not good day, since vet students are absent.
 - Should not push to after term break, as we should have a closer day to get memberships.
- ▼ Music at BBQ?
 - Committee decided on yes.
 - Can use Ellen's playlist from Meet & Greet.
- Will use numbers from previous BBQ as estimate for attendance.
- ▼ Michael suggested we make a roster ASAP.
 - At least half book it now, to avoid problems when new committee comes in

▼ AGM

- Discussed not having pizza, as this is an expensive option
- ▼ Discussed whether or not to take membership on the night of the AGM
 - Anti-branch stacking provisions not put in the constitution,
 - Committee members consented to take membership on night of AGM, conditional on the consent of the returns officer.
- AGM will be at 6pm, so food is a consideration.
- Faculty may supply snacks, otherwise Arwa and Declan are fine to.

▼ Pub crawl

- Union is difficult to contact at the moment, but Arwa is waiting on them
- Looking to get a good price, so discussed using simpler 4-colour design
- ▼ Mix of physical and online sales
 - Online component to be managed by Josh
- Arwa to book stalls on Thursday and Friday, and all next week
- ▼ Hacienda (planned final destination on route) have not gotten back to Galina
 - Declan has a friend who is involved with Hacienda.
 - Galina will email them.
- Should ideally advertise route ASAP.
- ▼ Khalia recommended we have some back up place.
 - If all else fails, there's always the London :/
 - If we can't get it Hacienda by Thursday, we're doing the London.
- ▼ Discussed the possibility of getting Shannon Noll on our pub crawl.
 - No success thus far.
 - "A few places," including Fumo Blu "do not like" Michael. Michael avoided further questions.
 - Austral and Elephant are asking for more specific numbers and shirt colours, which we will have once we start selling shirts.
 - Arwa: "Always tell them lower numbers than we are actually going to have."
 - Michael has the authority to pay Khalia's sister \$20 for the pub crawl shirt design, and will make this payment.
 - Discussed possibility of contacting On Dit about them advertising our pub crawl.

▼ Ball

- Tentative booking with Published Bookhouse
- Budget not finalised, no deposit yet
- They offer a meal and drinks package
- Declan [loud whispering]: "It's very pretty"
- Agreed to market event as formal
- Khalia suggested we begin advertising ball soon.

▼ May the Fourth

- May the Fourth (movie night) requires minimal planning, so should go ahead.
- Revenge of the Fifth (quiz night) may not be reasonable for a second event.
- Arwa thinks Rogue One is "a lot better than the other Star Wars movies." Promptly silenced by other committee members.
- Cannot charge for movies.
- Selling cans worked last year.
- Popcorn was difficult and annoying last year.
- All other planning can be left to the next committee.
- Karl will book Scott Theatre.

▼ Questions without Notice

- ▼ This was the final meeting for this committee.
 - Getting philosophical for a moment, Declan said "things tend to end with a fizzle, not with a bang."
- Current plan is to hold meetings for next committee on Tuesday at 6pm every fortnight.
- ▼ Have been contacted by Student Radio about being featured by Science Smack.
 - Interested, but will be handled later.
- ▼ Contacted by representative of *Teach for Australia*, about us promoting one of their graduate programs for teaching in disadvantaged areas.
 - Declan moved to punt to new committee.
 - Khalia seconded, moved by committee.
