3. Remaining Pub Crawl Shirts

Pub Crawl shirts still remaining in the boot of Ben's car are yet to be dealt with. Some are to be kept for promotional uses. Angelica would like to make a "giant picnic blanket" out of them, so Ben is going to transfer them to Angelica in a timely manner.

4. New Club Shirts

Wanting to place a new order, both for the committee and other members who want to purchase them. Motion to order 20-50 shirts depending on at what number the price of the shirts decreases. Ben to look into sourcing them and will get back to the group.

5. BBQ

The Barr Smith Lawns have been booked for 23 May, this date was deemed unreasonable by the groans of the committee, so Ben looked for a new date, but after a logical appraisal, the committee took back their complaints and the date was set on 23 May from 10-4

- Sausages need to be sourced, possibly from Romeo's Foodland, Bryan to call and order (08 8267 5055) and bread (white and wholemeal) (25 loaves) and onion, and tomato sauce/mustard/barbeque sauce, and paprika, oil (brought by Tim) and drinks (soft)
- Utensils:
 - Gloves (bought by Bryan)

- Serviettes (bought by Bryan)
 - Cutting boards
 - Tongs (brought by Matthew, and Ben will source tongs perhaps from the locker)
- Trestle tables(3), Snakes & ladders, and Marquees (2) were booked at the time of the meeting by Ben
 - Cao to book the BBQs (2)
 - Angelica to donate mushrooms for vegetarians
 - Free sausages for members, 50c to \$1 for drinks (possibly sourced from the faculty) \$1.50 for non members (for sausages)
 - A grant can be sourced from the Union for ~\$200
 - BBQ to be promoted on the facebook page and by email by Ben.

6. Volunteering

Ben wants the committee to spread the word to members who would be interested/appropriate for volunteering.

7. Faculty Affiliation

The letter was drafted by Ben previously, and not dealt with. The committee will be given the letter to sign, and affiliation will be sought

8. Future events
